WELCOME

Welcome to Ayios Nikolaos Station Medical Centre. AYN SMC aims to provide a high quality, accessible and patient-centred service to our population.

ENTITLEMENT TO TREATMENT

All service personnel assigned to AYN, or on duty, UK-based civilians (and their families—including dependants under the age of 23) who hold a status stamp are entitled to healthcare.

Civilian visitors are **not entitled** to treatment, and must arrange their own personal medical insurance prior to their visit.

REGISTRATION

All persons entitled to healthcare **MUST** register with the medical centre upon arrival on an e-Reg form. All civilians require a new patient

REPEAT PRESCRIPTIONS

There are 2 convenient ways to request repeat prescriptions:

- 1) Email your Name, Date of Birth, and Required Medication to:
BFC-DPHC-DHK-RptScriptsGpMailbox@mod.gov.uk
- 2) Drop your repeat request slip into the reception desk

PLEASE ALLOW 2 WORKING DAYS

HOSPITAL CARE

If you require hospital care, this will usually be delivered by the American Medical Center, Nicosia (AMC).

On rare occasion, healthcare may need to be provided in the UK.

Both AMC & UK hospital appointments are managed by the Patient Admin Team.

SERVICES

Services provided include (but are not limited to):

Doctor/GP
Nurse
Speciality Clinics
Physiotherapy
Midwifery
Mental Health
Social Support
Dietician

FEEDBACK

We welcome all feedback from our patients regarding services & experience.

Feedback is managed by the Group Practice Manager in DHK Medical Centre, who can be contacted at:
