

### **Episkopi Booking Information**

The discretionary accommodation is booked on a priority system. You can book this for family and friends coming out to visit Cyprus. This would be classed as priority C, however if a welfare case was to arise, then the booking for the holiday visit will be cancelled, as the welfare cases are classed as priority A & B.

There is one two-bedroom and two three-bedroom houses available to book for a minimum stay of 2 nights and a maximum stay of 14 days.

The accommodation is located on camp within the Biggin Hill estate and can be rented out for €25.00 per day. The houses are extremely popular during the holiday periods and advance booking is recommended. If you are not based at British Forces Cyprus, you must have a sponsor on the island.
